

Folding Bike Lockers

We're happy to match other specifications or bespoke requirements.

- The standard size of the locker is 1250 mm high x 340 mm wide x 700 mm deep for one compartment. Size of the two-compartment locker is size 1600 mm high x 340 mm wide x 700 mm deep. If you would like to have more compartments please speak to our sales department for a bespoke quote.
- Our lockers come with Camlock or a Hasp lock as standard, however, you can choose an alternative locking system.
- UK Manufactured to a high standard and made from Mild Steel.
- Helmsman RAL metal colours are available.
