SPECIFICATION

Sizes

Cubicle sizes are tailored to suit your requirements. Fixings are hidden to have a smooth surface and aesthetic finish. Self-supporting fully framed design.

Material

The door is solid grade laminate 12 mm thick. All exposed edges are smooth and radiused. Headrail material is from rounded extruded aluminium. Aluminium 'U' brackets with tamper-proof fixing are used for securing panels to each other and walls. The floating leg is placed further down the side panel to have a 'floating' look.

Door

Fixed latch with circular faceplate and emergency release facility as standard. Door mounted latches are available as an option. Each door is fitted with 2 heavy-duty hinges, incorporating an anti-finger trap and anti-lift design. Hinges can be adjusted to keep the door open, closed or ajar when not in use.

Hooks

Single circular aluminium coat hook with integral rubber safety buffer.

Seat

Seats are solid grade laminate with all edges profiled.

Accessories

Modesty panels, Disabled and family usage, baby change, and wall panels are available on request.

Colours

Doors, partitions and pilasters: Extensive colour choice from Helmsman colour range. Hardware/door furniture: SAA, black or white as standard. other RAL/BS colours are available.

We're happy to match other specifications or bespoke requirements.
