Lockers and Cubicles

A vertical photograph on the left side of the page shows a row of white lockers in a hallway. The lockers are tall and narrow, with silver handles. The hallway has a grey carpet and a white wall. The lighting is bright, coming from a skylight or window above the lockers.

Helmsman is one of the UK's top manufacturers of a complete range of lockers and cubicles.

For lockers, cubicles, and benches we provide design, supply and installation, and after-sales service

Helmsman's solid-graded laminate and high-pressure laminate are durable and hardwearing solutions for lockers and cubicles, giving you years of service whilst withstanding wear and tear.

With a range of materials available, we can supply lockers for wet areas or dry areas.
