# LAMINATE FOLDING BIKE LOCKERS

## SPECIFICATION

### ***Construction***

Dry specification lockers are manufactured from Mild Steel, wet specification lockers are manufactured with Stainless Steel frame and Aluminium body. Spot welded and pop riveted.

### ***Door***

Doors are manufactured from Solid Grade Laminate from a range of suppliers.

### ***Lock***

Each door is fitted with a Camlock or Hasp and Staple lock as standard. Other locking options are available.

### ***Numbering***

Doors can be fitted with a plastic escutcheon plate around the lock, which can also act as a name card/locker number holder. Maximum of 4 numbers. Other numbering options are available.

### ***Colours***

Body is powder coated in colour 'Ice' as standard, colour options for doors can be selected from a range of Laminate suppliers, colours and finishes.

Helmsman can also offer installation. Please ask the sales team for more information.

***We're happy to match other specifications or bespoke requirements.***
