# FRONT LINE CUBICLES - HIDDEN FIXINGS

## SPECIFICATION

### ***Construction***

12mm Solid Grade Laminate door with all exposed edges smoothed and radiused. A strong, rounded extruded aluminium channel headrail stabilises and strengthens the cubicle. Aluminium 'U' brackets with tamper-proof fixings are used for securing panels to each other and the wall. Fixings are hidden to have a smooth surface and aesthetic finish.

### ***Door***

Fixed latch with circular faceplate and emergency release facility as standard. Door-mounted latches are available as an option. Each door is fitted with 2 heavy-duty hinges, incorporating an anti-finger trap and anti-lift design. Hinges can be adjusted to keep the door open, closed or ajar when not in use.

### ***Hooks***

Single circular aluminium coat hook with integral rubber safety buffer.

### ***Seats***

Changing cubicle seats are made from Solid Grade Laminate.

### ***Accessories***

Modesty panels, Disabled and family usage, baby change, and wall panels are available on request.

### ***Colours***

Doors, partitions and pilasters: Extensive choice from Helmsman's colour range.

Hardware/door furniture: SSA, Black or White as standard. Other RAL/BS colours are available.

Helmsman can also offer installation. Please ask the sales team for more information.

***We're happy to match other specifications or bespoke requirements.***
