LEISURE CUBICLES

SPECIFICATION

Construction

Manufactured from heavy gauge extruded aluminium. All panels are bonded and fixed to extrusions. All extrusions are smooth and circular which allows for easy cleaning.

Door

Doors are made from 12mm solid grade laminate, all exposed edges are smoothed and radiused. Easy to use door latch, turn action operation. The door is supported by 3 'Hewi' hinges, and can stay open, closed or ajar when not in use.

Hooks

Single aluminium coat hook on the inside of the door.

Seats

Changing cubicle seats are made from Solid Grade Laminate with all edges profiled.

Accessories

Modesty panels, Disabled and family usage, baby change, and wall panels are available on request.

Colours

Available to view on request.

Helmsman can also offer installation. Please ask the sales team for more information.

We're happy to match other specifications or bespoke requirements.
