INLINE CUBICLES

SPECIFICATION

Construction

Headrail material is from rounded extruded aluminium. Aluminium 'U' brackets with tamper-proof fixing are used for securing panels to each other and walls.

Door

Doors are made from 12mm solid grade laminate, all exposed edges are smoothed and radiused. Fixed latch with circular faceplate and emergency release facility as standard. Door mounted latches are available as an option. Each door is front flushed fitted with 2 heavy-duty hinges, incorporating an anti-finger trap and anti-lift design. Hinges can be adjusted to keep the door open, closed or ajar when not in use.

Hooks

Single aluminium coat hook on the inside of the door.

Seats

Changing cubicle seats are made from Solid Grade Laminate with all edges profiled.

Accessories

Modesty panels, Disabled and family usage, baby change, and wall panels are available on request.

Colours

Available to view on request.

Helmsman can also offer installation. Please ask the sales team for more information.

We're happy to match other specifications or bespoke requirements.
