MFC LOCKERS

SPECIFICATION

Construction

1-6 Compartments available. Bodies of the lockers are manufactured from 19/20mm melamine-faced chipboard (MFC).

Door

Doors are manufactured from 19/20 mm Melamine-Faced Chipboard (MFC). Doors are attached to the right side of the door frame upright with concealed hinges.

Lock

Each door is fitted with a Camlock or Hasp and Staple lock as standard.

Hooks

Lockers are supplied with plastic hooks located on each side of the compartment (one & two compartments only)

Rails

Coat rails are fitted in locker compartments 450mm deep and over (one & two compartments only)

Numbering

Each door is supplied with a plastic oval number plate recessed into the door. Maximum of 4 numbers. Other numbering options are available.

Colours

A range of colour are available for the body and the doors from Helmsman's colour chart.

Stands/Seats

Lockers can be provided with either stands or stands with seats on request.

Optional Extras include Installation, End Panels, Infills and Plinths. Please ask our Sales Team for more information.

We're happy to match other specifications or bespoke requirements.
