VANITY UNITS

SPECIFICATION

Construction

Our vanity units are manufactured from Solid Grade Laminate, high-pressure laminate or Corian®. There will be no visible joints or cracks to collect dirt or moisture.

Fixings

Vanity units are mounted to the wall and supported by brackets.

Size

Vanity units are custom made for individual projects and spaces. It all depends on your requirements.

Uses

Vanity units are suitable for basin countertops in bathrooms and hair-drying and beauty areas in changing rooms.

Colours

We have a range of colour options and finishes available.

Helmsman can also offer installation. Please ask the sales team for more information.

We're happy to match other specifications or bespoke requirements.
