Who We Are

With over 5,500 square metres of offices and factory in Bury St Edmunds, our local workforce has over 40 years of experience working with architects, designers, specifiers, contractors and end-users helping them realise their most creative projects.

We are used to working across different sectors from leisure, healthcare and education through to commercial, retail, construction and industrial.

We are able to offer off-the-shelf products as well as bespoke solutions, be they aluminium, steel, glass or solid grade laminate. With a wide range of colours and styles, coupled with options from charging points to different locking systems, we provide the very best solutions for any project.

We supply throughout the UK and Ireland as well as across Europe and the Middle East and can offer supply only solutions to a fully managed turnkey service if preferred by the client.

Fabrication

All our lockers are manufactured at our factory in Suffolk where we have long-serving skilled teams producing high-quality bespoke lockers and cubicles manufactured for each project.

Installation

Once the order is placed, the project is handed to the locker and cubicle installation manager who is responsible for overseeing the team that will install the lockers and cubicles. He works alongside the factory manager and ensures the products are manufactured on time and to the correct specification within the agreed time frame.

After Sales Service

To maximise optimal performance and the longest life cycle, we offer a complete range of after-sales care and service. This ranges from a regular maintenance contract to ad hoc repairs. We handle repairs and maintenance of lockers and cubicles too.

Lockers

Z Lockers (or sometimes called L Lockers) are often used where space optimisation is required and designed to store larger personal items and has hanging space. If you require a space-saving solution Z lockers are perfect for you.

Manufactured from aluminium and stainless steel - Powder coated body. 10mm solid grade laminate door. Suitable for wet environments. Double coat hooks are fitted at the top of each compartment.

Camlock and haps & staple are the standard options. Coin return/retain, combination and digital locks can be supplied on request. Key wrist straps and key fobs are available.

Bench Seating

We manufacture bench seating as either a standalone product or part of an integrated washroom solution with complimentary lockers and cubicles. Suitable for both wet and dry areas, the high-quality bench seating provides comfort and durability.

They are available in a wide range of configurations such as seat stands integrated with lockers, as cubicle benches or freestanding.

Island benching: Freestanding bench, optional shoe tray.

Single-sided bench: Available with coat hook bar.

Double-sided bench: Freestanding with coat hook bar.

Cantilever seating: Depending on the strength of the wall, bracket recommended every 500mm.

Wall/floor seating: Fixed to either or both wall and floor. Recommend a bracket every 500mm.

Bespoke tailor-made solutions are also available. Wall-mounted coat hook bar with 5 hooks as standard. Bespoke options are available.

Accessories

We carry and supply a wide range of accessories for all our ranges whether it's for a new project or to replace broken or missing items.

Clients are able to specify a wide range of carefully chosen high-quality accessories from standard locks to contactless locking systems.

Selected for superior styling with practical durability, our accessories add the perfect finishing touch to any changing room, washroom or locker room. Our main lock supplier is Ojmar Intelligent Locking Systems and they are able to supply locking systems suitable for both wet and dry environments and for different uses and types of user.
